POINTS AND AUTHORITIES

Facts

The MOLITCH's have loaned funds to various borrowers which loans were
brokered by the Debtors. The interest is their primary income for their retirement. The

Debtors collectively had fiduciary duties which included obtaining suitable borrowers with real property appraised in excess of the proposed loans and with a reasonable plan to repay the loans. Debtors charged origination fees or "points" to the borrowers and these origination fees or "points" are the primary income of Debtors. At no time were Debtors authorized to co-mingle with or use any funds intended for investment.

Debtors were operating under a Power of Attorney which allowed them to collect the payments from the borrowers and to pay said funds to MOLITCH. MOLITCH hereby revokes the Power of Attorney. Once the Notes are released to MOLITCH, they will either collect them themselves or place them for collection. This "collection" is a ministerial act but with fiduciary duties. Debtors have no legal interest in the funds collected from borrowers. Debtors are not the Payees of the Notes nor are they the beneficiaries of the Deeds of Trust.

Debtors receipted for approximately \$991,374.31 of MOLITCH's money and brokered all funds to borrowers. Certain funds have been repaid by the borrowers and the amount outstanding is now \$991,374.31.

Debtors receipted for approximately \$991,374.31 of MOLITCH's money and brokered all funds to borrowers except for \$54,000.00 which was to be brokered to BUNDY CANYON LAND DEVELOPMENT. The Court has ordered that these funds be returned leaving a net ownership total of \$937,374.31.

The Law

Debtors and their affiliates are licensed by the State of Nevada Financial

Institution Division as mortgage brokers or mortgage agents under NRS 645B. Escrow Accounts are required under NRS 645B.165 through 175 and commingling is prohibited under NRS 645B.180.

Debtors serve as a collection agent for benefit of the Movant under a power of Attorney.

11 USC 541(b)(1) states that: "Property of the estate does not include any power that the debtor may exercise solely for the benefit of an entity other than the debtor."

Argument

MOLITCH is the owner of the various Notes Secured by Deed of Trust that have been recorded showing an Assignment from Debtors to MOLITCH in all or a proportionate amount of each Note and Deed of Trust. These Notes and Deeds of Trust are clearly not property of the estate and indeed the Debtor does not appear to contend otherwise.

NRS 645B.165 through 180 make it very clear that the payoff funds are trust funds very similar to those in an attorney's trust account and are given the same protection. The law at NRS 645B.180 specifically states that "Money in an impound trust account is not subject to execution or attachment on any claim against the mortgage broker or his mortgage agents." To the extent that Debtors have breached their fiduciary duties, they should be disqualified as servicing agents or indeed they should be disqualified to be Debtors-in-Possession. The funds represented by Exhibits

"A", "B" and "C" do not belong to the Debtor and must be returned or at the very least subjected to sequestration from any assets of the Debtor so that they will not be expended for operations or subjected to claims against the Debtor or its agents. It should be noted that only five (5) employees should be necessary - not 32 - in the event that the Court decides to allow the expenditure of funds from the General Investment Funds which include 3200 investors or perhaps from non-objecting investors who hold Notes Secured by Deed of Trust.

The Notes Secured by Deeds of Trust being serviced are owned by MOLITCH and should be released to MOLITCH. The Notes Secured by Deeds of Trust totaling \$937,374.31 are summarized in Exhibit "A" hereto. This will cause no financial loss to Debtors since the primary income of Debtors is the substantial loan origination fees or "Points" earned at the funding of the loan not the minuscule servicing fees after the loan is funded. Indeed, replacement of the servicing agent will reduce the salary requirement of the collection department of Debtor which is presently being overwhelmed with telephone calls from investors and with borrowers who doubt whether late payments or no payments will be pursued by a bankrupt collection agent who has no incentive or financial interest in the instruments.

Conclusion

The Power of Attorney to continue collecting and to make loans for the benefit of MOLITCH has been terminated and the Court should approve such termination.

Debtors' Motion should be denied and Movants' funds and Notes Secured by

Deeds of Trust should be released to MOLITCH or the proceeds sequestered. The money and property of MOLITCH should be released to MOLITCH without being diminished by any so-called "management expenses" much less the outlandishly inflated expenses proposed by Debtors.
